

Northeast PANS/PANDAS Parents Association News To Use

Greetings

We are cannot believe the excitement and enthusiasm we are feeling and hearing about with this conference. Thank you to all our helpers across the country for making this such an amazing success. Who would have thought that in 5 short months we would come so far.

There's lots to share in this e-newsletter so please take the time to read through. We are looking forward to meeting so many of you in November.

Important Last Minute Conference Information

With the conference less than a month away we are busy working behind the scenes to make the conference run as smooth as possible.

First, please note you will not get a physical ticket to the conference. We will be checking attendees in by name.

If you have not done so already, it is very important that you fill out our pre-registration survey. It will help us with meal planning and registration planning among other things. You can do so by [CLICKING HERE](#).

We are providing registration on Friday evening from 6pm to 8pm and Saturday morning starting at 7am.

Also, breakfast and lunch are included with your ticket for Saturday and lunch is included on Sunday. There is no additional charge.

As you know, Saturday tickets are sold out. We have started a waiting list. If you want to be added please email kim@nepandasparents.com

There are a few Sunday tickets left, BUT NOT MANY. If you want to attend Sunday we suggest you register quickly. As of now there are only 6 left.

We have some reception tickets still available. You CANNOT buy reception tickets at the event. The hotel has allowed us to expand our count to 300 but that is firm due to fire regulations for the space.

Please consider buying tickets to the parent reception while you can. The speakers will be attending and we have sold over 200 to date. It is cash bar and snacks will be provided.

Have you taken our Conference Survey yet? Please do now.

If you have not taken our conference survey please take a minute to do so now. It should only take 5 minutes and the information we are gathering will be presented at the conference. All information is kept confidential and we don't even ask for your name.

Announcing our South Shore MA Suvey

We are looking to create a document to share at the upcoming NE PANS/PANDAS conference AND with doctors, researchers and the Massachusetts Department of Health to raise awareness that an incredible number of children are affected with PANS/PANDAS in certain towns on the South Shore of Massachusetts. It seems like a high incidence rate and we want to figure out why and try to get more medical help for our area. We are looking for participants in these South Shore towns for now: Cohasset, Duxbury, Hanover, Hingham, Hull, Kingston, Marshfield, Norwell, Pembroke, and Scituate.

If you have more than one child we need you to re-take the survey for each child. It is the only way we can accurately graph the results. AND we do not know everyone in these towns who have children with PANS/PANDAS and are counting on you to share this survey with people you know. The more information we can gather the better. This is very important.

Please take this survey EVEN if your child has recovered. Thank you in advance for your time and participation. The NE PANS/PANDAS Parents Association
