

Northeast PANS/PANDAS Parents Association News To Use

NORTHEAST
PANS/PANDAS
PARENT ASSOCIATION

Greetings

We are less than a week away and as you can imagine we are very busy with last minute deadlines and logistics. We ask that you read this email completely as it contains very important registration information.

We are looking forward to seeing many of you in Providence and remind you that we are not some organization with offices and a staff working beside us. We are moms working from kitchen tables. So if there are a few glitches next weekend, be patient and rest assured we are doing all we can to make this run as smoothly and efficiently as possible.

NE PANDAS/PANS Parent Association Founding Members,
Kim Panton, Cathy Witkos, Jennifer Vitelli, Peggy Chapman, Lisa Grisolia, Megan Greenstein, Lisa Hart and Tiffani Maxwell

Important Last Minute Conference Information...

There is NO TRANSFER of your ticket. You cannot SELL or GIFT your ticket to someone else. We will be asking for ID's at check in.

There is a wait list of doctors, parents and other healthcare providers hoping to get in. Please respect the process and these individuals on our wait list. Thank you for your cooperation.

If you cannot use your ticket and you let us know before Friday, we will give you a refund and give your ticket to the next person on the wait list. You need to email us at info@nepandasparents.com the name the ticket is under and a mailing address to send your refund to. We will refund you the amount minus the transaction charges we were charged by PayPal or SquareUp. Refunds will go out after the conference. We are simply too busy to get to it prior.

If you want to print out speaker presentations prior to coming to the conference we have made them available on our website. We wanted to give you an opportunity to print these out so you can write any notes directly on the outline or summary. Not every speaker was able to provide us one so what you see is what we have. These **WILL NOT** be provided at the conference. Please keep checking back as many speakers will be giving us their presentations this week. We will update it daily.

Please visit <http://nepandasparents.com/resourcesandnews.html>

You will not get a physical ticket to the conference. We will be checking attendees in by name and you must present a photo ID.

We are excited to announce that 2 moms have made arrangements to film the conference for us to make available at a later date. It will take some time to edit and piece together but we will make this happen.

In addition, two documentary film makers will be filming at the conference for projects they are currently working on regarding PANS/PANDAS. So in total there will be 3 film crews in attendance filming the conference.

We are providing registration on Friday evening from 6pm to 8pm and Saturday

morning starting at 7am.

Breakfast and lunch are included with your ticket for Saturday and lunch is included on Sunday. There is no additional charge.

Announcing our South Shore MA Suvey

We are looking to create a document to share at the upcoming NE PANS/PANDAS conference AND with doctors, researchers and the Massachusetts Department of Health to raise awareness that an incredible number of children are affected with PANS/PANDAS in certain towns on the South Shore of Massachusetts. It seems like a high incidence rate and we want to figure out why and try to get more medical help for our area. We are looking for participants in these South Shore towns for now: Cohasset, Duxbury, Hanover, Hingham, Hull, Kingston, Marshfield, Norwell, Pembroke, and Scituate.

If you have more than one child we need you to re-take the survey for each child. It is the only way we can accurately graph the results. AND we do not know everyone in these towns who have children with PANS/PANDAS and are counting on you to share this survey with people you know. The more information we can gather the better. This is very important.

Please take this survey EVEN if your child has recovered. Thank you in advance for your time and participation. The NE PANS/PANDAS Parents Association
