ASSOCIATION

**Hockey Fundraising
& Awareness Event
October 18th
7pm - Hartford, CT**

Parents in Connecticut are planning a hockey awareness & fundraising

event with the Hartford Wolf Pack, a professional Hockey League. The Wolf Pack will donate a percentage of the ticket sales to PANDASNetwork for CT awareness efforts. With their sponsorship, we were excited to learn about the comprehensive awareness support they are providing during the event.

Rosario Trifiletti, M.D. PhD.

A November event is being planned in Connecticut where leading PANDAS/PANS experts will be presenting as well. This event will provide information on navigating the special education system, alternative therapies, legislative updates, advice on treating the "whole family", treatment protocols from national PANS/PANDAS doctors.

Keep checking our website for details as they become available.

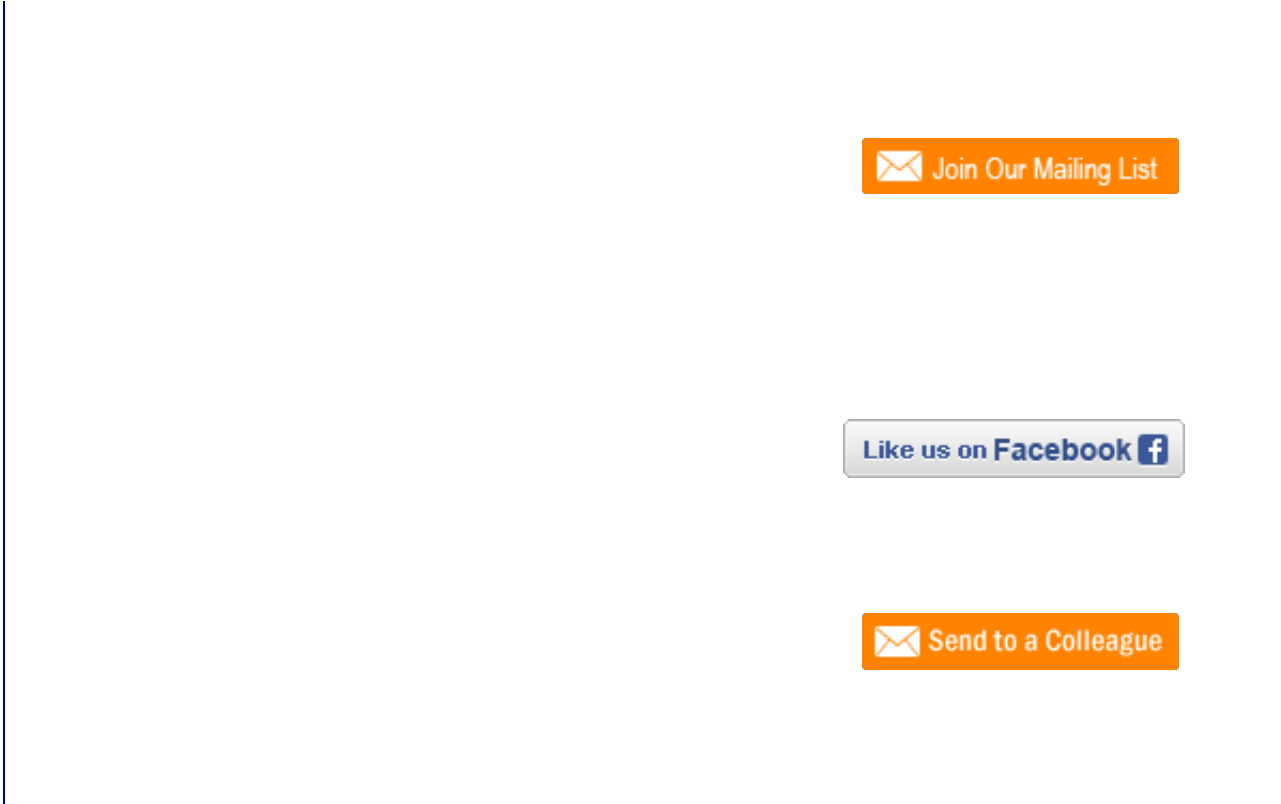

was a great success. Over 125 people attended, including parents, doctors, nurses, grandparents and supporters!

We'd like to especially thank Dr. Trifiletti and Dr. Bock for taking the time to attend and participate in the Public Service Announcement. We would also like to thank all the parents, friends, and medical professionals who attended and took the time to participate in our PSA!

AND our biggest thanks goes to

Tom Talbot for taking a day off and dedicating his time to videotaping the PSA with no breaks. Tom was there well past 11pm making sure he got all he needed for this important project!

The tapes are now in the capable hands of Sally Plone, who is volunteering her time to edit and create multiple PSA vignettes. We will start releasing them as they are complete. Keep checking back in on our website in the coming months!
